(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

- a. Substantial Deviation from the 5-Year Plan
- b. Significant Amendment or Modification to the Annual Plan

The Raleigh County Housing Authority is required to notify the Resident Advisory Board, the Board of commissioners, and the U.S. Department of Housing and Urban Development of any “substantial deviation” or “significant amendment or modification” to the current Plan. As work progresses, the Housing Authority recognizes that conditions may change from time to time from the original anticipated project or plan, that there may be changes to certain rent

and admissions policies, and that there may be a need to change programs and activities. The Housing Authority recognizes its duty and responsibility to the residents, Resident Advisory Board, and to the general public to notify them of a substantial deviation or significant amendment or modification of items. Therefore, any changes to the policies or activities described in the Plan will be subject to a full public hearing and HUD review before implementation.

Accordingly, the Housing Authority hereby defines "Substantial Deviation" and "Significant Amendment or Modification" as actions that cause:

1. Changes to rent or admissions policies or organization of the waiting list;
2. Additions of non-emergency work items (items not included in the annual statement or five-year action plan) or changes in use of replacement reserve funds under the Capital Fund Program;
3. Additions of new activities not previously included in the PHDEP Plan, if applicable;
4. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

An exception to this definition will be made for any amendments or modifications that are adopted to reflect changes in HUD regulatory requirements. Such changes will not be considered significant amendments by the Housing Authority or by HUD.
